

Job Mela MIS

Project Status: Ongoing, State Level Projects

A Job Mela is organized by the Government of Arunachal Pradesh by creating 8651 job opportunity for school dropouts and unemployed youths of this state who have been selected for under-going training in various places of India and in the state on expense of state Government. A Management Information System has been developed for Department of Industries for capturing applicant information, storing it in a central database and reuses it for further use.

Objectives:

1. Capture applicant information.
2. Capture Vocational Training Providers (VTPs) information.
3. Assignment of registration numbers to the applicants.
4. Generation of various utility reports.

State Level Project Team:
